FAM Tours

In an effort to provide visibility for local businesses and services, the Travel Council occasionally hosts Familiarization Tours (FAM Tours) for national and global journalists, media representatives, and tour operators (including bus tours). Participation in a FAM Tour is a great way to promote your business to travel industry professionals. Participation usually involves offering meals at a reduced rate, the ability to accept reservations and direct bill the Travel Council. If you would be interested in hosting one or more FAM Tours at your restaurant, check the box below and we will contact you with additional information when we are conducting tours.

☐ Contact my business when the Travel Council is looking for FAM Tour participants
