Where do my fees go?

All visitors who utilize this area for biking, OHV use, hiking, camping, picnicking, etc. must pay the posted user fee. All user fees remain in this program and go toward services and maintenance. Information services include staffing the entrance station, campground and backcountry patrols, educational displays, brochures and maps. General maintenance includes upkeep of campgrounds, toilet facilities, trails, fences, and signs. One third of SFRA lands are Utah School Trust Lands and collected fees pay for the annual lease of this land. In addition, user fees contribute to the operation of Grand County Search and Rescue and sustain an apprenticeship program that provides work-study opportunities for local high school students.
