

Dear Grand County Commission,

The Canyonlands Healthcare Special Service District (CHC SSD) is requesting their allocation of funding for the 2023 calendar year from the Rural Healthcare Sales Tax. The CHC SSD and the EMS Special Service District have agreed upon the terms of splitting the Rural Healthcare Sales Tax revenue 57% to CHC SSD and 43% to EMS SSD for the next few years. We also agreed that on the terms as such, the CHC SSD will continue to provide the Moab Regional Hospital's DSH seed payment as able from our (CHC SSD) 57% allocation. Thank you for your consideration on this matter.

Sincerely,

Tim McGinty
Vice-Chair CHC SSD
