

Agency “Will Serve” Signature Sheet

REQUIRED – The representative signing below is acknowledging that they have reviewed plans submitted in conjunction with the proposed (project) _____.

By providing a signature below, each agency is confirming their ability to serve the proposed development.

It may be necessary for further collaboration with certain agencies to assure adequate existing and future easements are provided for, in such a case the agency will provide a letter with detailed requirements for the site.

****A will serve letter or signature does not constitute approval of your development plans****
