To be filled in by Road Supervisor

(1) Permit \_\_\_\_ should \_\_\_\_ should not be granted

(2) Additional requirements which should be imposed (See Attached)

\_\_\_\_\_ Road Supervisor

## INSTRUCTIONS

- (1) \*Application for this permit should be made in duplicate by whoever will actually do the work whether it be the owner or a contractor.
- (2) Mailing address of applicant.
- (3) State fully and completely the type of installation, type of construction, width, thickness, drainage data, etc., where applicable. If pole line, give the following information: Number of poles, total length of line, type of wire, character of service, vertical clearance over roadway, and voltage of power line.

If pipe line or buried cable, give the following information: type of service, size and length of line, depth of trench, kind of pipe (sewer, gas, oil, water supply, etc.) or conduit, and if pipe is to be driven or pavement is to be broken. All fluid lines require encasement with suitable material. The size and length of encasement shall be satisfactory to the State Department of Transportation.

- (4) Give the distance from some geographical point, such as location of structures with reference to pavement and right-of-way lines. If installation crosses the highway, show the cross section to present roadway and proposed installation.
- (5) Attach four (4) copies of a plan showing proposed location of structures with reference to pavement and right-of-way lines. If installation crosses the highway, show cross section to present roadway and proposed installation.
- (6) Give anticipated dates for the beginning and for completion of proposed installation.

**Note:** A fee of \$250.00 will be charged for all Right-of-Way Encroachment Permits, except those obtained for pole lines, pipe lines, and buried cable lines. This permit fee, where applicable, should be submitted with the application. The costs of inspection are included in the Right-of-Way Encroachment Permit fee, except for pole lines, pipe lines and curried cable lines which shall be billed for the inspection as described under "Inspection" on page 16 of the "Regulations for the Control and Protection of State Highway Rights-of-Way".
