SUPPORTING MATERIALS

Approvals of the High Density Housing (HDH) Overlay are considered legislative, discretionary decisions. They are reviewed in public hearings by the Planning Commission and County Council, with the County Council serving as the final land use authority (i.e. final decision-making authority). Approval of an HDH Overlay application **DOES NOT** constitute a preliminary plat, final plat, or site plan approval. HDH Overlay applications shall contain, at a minimum, the following supporting materials through the approval process according to the following submittal schedule:

- Survey.** The applicant shall submit a certified survey of land area to be rezoned. Such survey map shall require at a minimum the following information:
 1. Subject land area acreage
 2. Adjacent uses and predominant uses in the vicinity
 3. Existing zoning designation of the subject property and surrounding properties.
 4. A vicinity map.

- Applicant Statement.** In making its determination, the County Council shall consider the recommendation of the Planning Commission, staff reports, and the written and oral testimony presented. An Applicant statement shall address the following issues for consideration in Section 9.2.7. Because densities associated with the High Density Housing Overlays vary from those in the Future Land Use Plan of the County’s 2012 General Plan, Applicants are encouraged to address why a High Density Housing Overlay Development meets the legislative intent and the established standards of Section 4.7.

- Development Agreement.** The Applicant shall provide and enter into a development agreement with the County establishing the proposed means for assuring the continuing existence, maintenance and operation of the HDH development in compliance with standards set forth in Section 4.7 of the Grand County LUC.

- Master Plan.** The Applicant shall provide a Master Plan that shall govern the High Density Housing Overlay Development in accordance with Section 4.7 of the Grand County LUC.

- Conceptual Site Plan.** Shall include the information required under Section 9.17.3.A through N.

Title Report. A preliminary title report from a licensed title company listing or attorney listing the name of the property owner(s) and all liens, easements and judgments of record affecting the subject property, and of the preliminary plat.

Covenants, Conditions, Restrictions. Draft of any protective covenants where the developer/subdivider proposes to regulate land use or development standards in the subdivision.

Taxes. A statement from the County treasurer showing the status of all current taxes due on the parcel.

Surrounding Property Owners. A list of surrounding property owners and their legal mailing addresses within 100 feet in any direction of the exterior boundary of the parcel proposed to be rezoned.

Posting. The Applicant is responsible for posting a sign noticing the public hearings. The Community and Economic Development Department will provide the physical signs. The Applicant is responsible for wind and water proofing the sign as well as placing it in a prominent place within the front setback of each street to which the proposed subdivision fronts. The public hearing notices shall be posted at least 10 days prior to the public hearings and remain in place until the public hearing is completed.

Application Fee. The process / filing fee of \$500.00 shall be paid in full.
